

## Parish Council Annual Report

The Village Hall Committee began the year with a huge effort to apply for a Grant from the National Lottery for improvements to the Hall. Although the application was unsuccessful the plans drawn up will guide work on the Village Hall for many years to come. A smaller grant from Awards for All was used to resurface the rear yard and the gates were replaced. Thanks to all involved in these projects.

Roadside advertising signs continue to litter the local area but, following liaison with County and Borough Councils we hope to see these removed shortly.

500 daffodil bulbs were planted in the Parish. These were donated by Chorley Borough Council and are now in flower adding to the attractiveness of the neighbourhood, and the raised flowerbed put on a long-lasting show of blooms and attracted an Award from Chorley Civic Society.

Parish Council members are developing plans to upgrade the play area and provide a new notice-board at Heapey Chase.

New Christmas lights at the War Memorial Clock were much appreciated by local people, and we hope to add further improvements to the Winter scene at this location.

It has been another busy and productive year for the Parish Council and I would like to thank the Clerk and Councillors for their efforts on behalf of the people of Heapey.

Our congratulations to fellow Parish Councillor, Julia Berry, who was elected onto Chorley Borough Council at this years May Elections and replaces Mary Wilson who sadly passed away earlier in the year.

## Heapey and Wheelton Village Hall

Work on the new toilets started in earnest on 19<sup>th</sup> May and is going very well. Unless there are unforeseen problems, they should be completed towards the end of June. They might even be finished in time for....

### The AGM

This will take place in the Village Hall on Tuesday 24<sup>th</sup> June, starting at 7-30pm. This is your chance to have your say and maybe get involved in the running of the hall.

### The Village Fete

Yes! It's that time of year again!! The fete will be held on Sunday, 6<sup>th</sup> July. Weather permitting, it will take place as usual on Black Lion Field. There will be plenty of stalls, the very popular Tombola, refreshments and, of course, the 2 races - The Thirsty Three and The Gallop. Plenty of fun for all!!

As always, volunteers are needed to help deliver leaflets, set up on Sunday morning and run stalls. If you would like to get involved, phone me on 01254 831522. There are plenty of jobs to go round!!!

Don't forget, all proceeds go to Village Hall funds and new toilets don't come cheap!!!!

## Heapey Chase Noticeboard

We are hopeful the end is finally in sight.

Having received the go ahead from the landowners to site the noticeboard at the entrance to Heapey Chase we are now liaising with Lancashire County Council to come up with a mutually acceptable location which will be convenient for residents to view the noticeboard, but not affect the vision of drivers exiting Kittiwake Road.

## The 'Village Playground Trust' (Heapey and Wheelton)

A joint project has been established by Heapey and Wheelton Parish Councils to refresh and revitalise the playground in front of the Village Hall in Wheelton. The Parish Councils presently fund the maintenance of the Playground and are aware that improvements need to be made in line with some elements of the Parish Action Plan.

A Working Group, currently made up of members of both Parish Councils, has been meeting to consider the options for the Village. We are aiming to provide a safe but challenging and fun facility in keeping with the local environment. This will mean replacing some of the current equipment and selecting and purchasing some additional items. We are also aiming to renew the fencing and safety surfacing. Plans and quotes have been sought from several suppliers to date.

Whilst Heapey and Wheelton Parish Councils have made some provision in their funding precepts for 2008-2009 we still face a real fundraising challenge to meet the **£33,000** required to make any real improvements to the present facility. This is an ambitious target, however with the support of the local community we feel we can and will achieve it!

We are intending to erect a small display together with the unveiling of our fundraising 'Swing' at the Village Fete on the 5<sup>th</sup> July.

Anyone interested in becoming more involved with the Working Group please contact either of the Parish Council Clerks:
