

## Lancashire Constabulary

Buying any gadgets this Christmas? Why not register them for **free** on the national property register via [www.immobilise.com](http://www.immobilise.com)

Registration only takes a couple minutes and, should you lose or have property stolen and it is recovered, it allows all police forces to identify an item and return it to the rightful owner.

Anything from your TV to your Toaster can be registered on Immobilise - for more information please visit [www.immobilise.com](http://www.immobilise.com) or [www.lancashire.police.uk/help-and-advice/advice/immobilise-property-database](http://www.lancashire.police.uk/help-and-advice/advice/immobilise-property-database)

Also, during the Christmas period, please make sure you do not leave presents on display in the car or in view from a window at home. Don't leave cars unattended on drives or roads whilst defrosting - if they are stolen your insurance will be invalid

If you see anyone behaving suspiciously contact the Police on 101, or via email at:

## Neighbourhood Watch

Whilst times have changed with cutbacks in Police funding, NHW continues to function with the massive support of our volunteers. Chorley and the surrounding villages are supported by the Chorley & District Neighbourhood Watch Association (CADNWA).

If you are interested to know if there is an established Watch local to where you live, wish to know more about NHW or would like to set up a new Watch, please contact Lynn Wareing on 01257246384 or by email to [lynn.wareing@lancashire.pnn.police.uk](mailto:lynn.wareing@lancashire.pnn.police.uk)

## Frozen Pipes can ruin your Christmas

United Utilities has launched new campaign to help homeowners this winter. New research has revealed that fixing damage caused by frozen household pipes that have burst, has cost North West homeowners around £578 million with the average repair bill of an individual incident being £525, but it's a problem that is easily avoided.

The Winter Wise campaign is designed to advise people of some simple steps to prevent frozen/burst household pipes..

The three main steps are:

- Find out where your stop tap is and label it
- Use lagging to stop your pipes from freezing
- Keep your heating on low and time it to come on if you're going away
- Keep the phone number of a plumber handy

## January Council Meeting

The next meeting of the Parish Council has been rearranged and will take place at 7.30pm, on Tuesday 14 January 2012, at Heapey Parish Church.

## Councillor Vacancy

We have a long - standing vacancy on the Parish Council which can be filled by co-option.

If you would like to join us, and represent your local community, please contact the Clerk on 01257 234003 or email to [heapeypc@btinternet.com](mailto:heapeypc@btinternet.com) for further information.

## Girl Guiding - Adult Volunteers Needed!

Your local Rainbows (South Hill) group is desperately seeking adult volunteers to help out on a regular basis.

The group meets once a week on a Monday evening from 6:00 - 7:00 pm at St. Chad's School in Whittle-le-woods. There are currently 15 young girls (aged 5 - 7 years) enrolled in the unit and we rely on the help of volunteers to keep the unit running.

Could you spare an hour a week? The Unit Leader, Jo Maxwell, would be pleased to hear from you if you think you can help.

She can be contacted on 01772 426174.

*Volunteers also needed for other local Brownie and Guide groups!*

## Heapey Parish Council Newsletter

# Save Our Countryside

Local MP, Lindsay Hoyle, has contacted Natural England in a bid to have areas of the parish designated as an Area of Outstanding Natural beauty (AONB).

This arose following the planning application to construct a solar farm within the Greenbelt which was refused by Chorley Council's Development Control Committee, and we would encourage residents to support the request to grant AONB status by contacting Mr Dave Webster, Chief Executive, Natural England, Foundry House, Millsands, River Exchange, Sheffield, S3 8NH.

The Parish Council has also asked Chorley Council to look into the possibility of introducing some form of protection for the lodges in the White Coppice area. Currently, the draining of lodges does not require planning permission and we are worried that the lodges, which add so much to the general attractiveness of the area, are currently at the mercy of the owners.
