

## Councillor Vacancy

Following the election in May a vacancy remains on the Parish Council which can now be filled by co-option and applications to join the Council would be welcomed.

To serve as a Councillor, a person must be a British subject, aged over 18 years old and an elector, and must reside in, or within 3 miles of, the Heapey Parish boundary or occupy as owner, or tenant land or premises or work in the parish.

If you are interested in joining the Council please contact the Clerk on 01257 234003 or email to heapeypc@btinternet.com for further information.

## Supporting Litter Initiatives

The Parish Council applauds local residents who voluntarily help to keep our road verges clean by picking up the litter which is thrown onto our highways and byways.

We have also asked Chorley Council to implement the higher on-the-spot fines allowed under new government legislation on 'litter tossers'.

The new legislation also targets litter from motorists and may now make the driver liable for a fine if anyone in the vehicle throws litter.

## Crime Prevention

Please ensure your doors and windows are kept secure, even during the warmer weather and especially overnight and don't forget to lock your sheds and garages. Cars should also always be locked when unattended.

To find out what's really happening in your area and receive regular crime updates and information sign up to 'In the Know' at <https://www.stayintheknow.co.uk>, the free messaging service where you decide when and how you are kept informed about the issues that matter to you.

Notice boards	1880	
Sundries	450	
VAT	278	
Total		9674
<b>Closing Balance</b>		16838

## Chairman's Annual Report

The parish precept was, again, set with no increase.

The Council continued to support local amenities including the Christmas tree and lights at the entrance to Heapey Chase and grass cutting.

Contributions continued to be made for the play area maintenance in Wheelton, and War Memorial expenditure. Donations have also been made to the Royal British Legion Poppy Appeal and the North West Air Ambulance.

## Chairman's Report (continued)

As a result of a request from Chorley Council a small contribution towards the 24A bus service was agreed dependent on written confirmation of an indemnity in case of any claim resulting from giving the contribution.

A new notice board replaced the one at the entrance to Heapey Chase and notice boards at Blackburn Road and White Coppice have been refurbished with the White Coppice board being relocated to the picnic area. More bulbs have been planted, with Snowdrops and Daffodils being planted on Heapey Chase. The Council continues to support wild flower initiatives and has backed initiatives to tackle litter in the Parish.

St Barnabas Church, The Top Lock, The War Memorial and White Coppice Cricket Club have again been nominated as entries in the Lancashire best Kept Village Competition.

On planning issues, the Council represented its concerns to the planning committee with reference to the application for an agricultural workers dwelling at Higher Healey Farm.

The Council is still discussing issues relating to flooding with relevant bodies. Although some of the threats of flooding have been reduced others still need to be dealt with.

The promised upgrading by Chorley Council of the footpath near the picnic area in White Coppice has been undertaken.

A parish map, showing places of interest in Heapey is in the process of production.

The Council has had representation on a number of outside bodies (Chorley Liaison, Chorley Council Eastern Parishes Neighbourhood Area Meeting, Chorley Council Equality Forum, Heapey and Wheelton Charity Trust, Heapey and Wheelton Village Hall Committee, Heapey and Wheelton War Memorial Trust, LALC Chorley Area Committee, Rivington and Brinscall Local Advisory Group).

## Heapey Parish Council Newsletter

### Electoral Review

The Local Government Boundary Commission for England is carrying out a review of Chorley Council, which is intended to deliver electoral equality for voters across the borough by correcting imbalances between the number of residents represented by each individual Borough Councillor.

The Boundary Commission is suggesting a reduction in the number of councillors from the current 47 to 42, made up of 14 wards, each with 3 councillors and is inviting proposals to draw up a pattern of wards to cater for this.

The review will probably lead to the re-drawing of a number of borough council wards in order to achieve a more even distribution of resident's numbers.

As this is a public consultation the Parish Council has been asked to publicise the review to residents and if you would like to take part or find out more about the review go to [www.lgbce.org.uk](http://www.lgbce.org.uk). To look at the current ward boundaries and have your say go to:

**<https://consultation.lgbce.org.uk>** (and click on Chorley District from the 'By Local Authority' drop down)

Please note; this review covers only the Chorley Borough Council wards and the parish councils are not affected in any way.
